

[illegible][illegible]

Figure 1 displays various map symbols and their corresponding labels. The symbols are arranged in a grid. The first column shows symbols for 'Highway' (solid line), 'Secondary Road' (dashed line), 'Jeep Trail/Wakey/Ferry' (dashed line with cross-ticks), 'Railroad' (line with cross-ticks), 'Military' (dotted line), and 'Inset' (dotted line). The second column shows symbols for 'Pipe/Power Line' (dashed line with cross-ticks), 'Ridge/Physical Feature' (dashed line with cross-ticks), 'Property/Fence Line' (dashed line with cross-ticks), 'Nonvisible Boundary' (dashed line with cross-ticks), and 'Inset' (dotted line). The third column shows symbols for 'Stream/Shoreline' (wavy line), 'Intermittent Stream' (dashed line with cross-ticks), 'River' (wavy line), 'Glacier' (wavy line with cross-ticks), and 'Out Area' (dotted line).

Where international, state, and/or county boundaries coincide, the map shows the boundary symbol for only the highest-ranking of these boundaries.

- <sup>1</sup> A "0" following a place name indicates that the place is also a false MCD; the false MCD name is not shown.
- <sup>2</sup> In 1990, the crews-of-vessels population of ships at sea was allocated to census tracts with a "99" suffix. An anchor symbol appeared on the 1990 maps locating a crew-of-vessel tract. These maps show a very small area symbolized as a census tract with the census tract number shown near the area.
- <sup>3</sup> A "\*" following a block number indicates that the block number is repeated elsewhere in the block.

TOTAL SHEETS: 65 (Index 1; Parent 60; Inset 4)

INDEX FOR 1990 COUNTY BLOCK MAP (RECREATION)

All legal boundaries and names are as of January 1, 1990 as tabulated for the Public Law 94-171 and Summary Tape File products. The boundaries also reflect the feature network and coordinates as of the Census 2000 geographic base. Since 1990 the Census Bureau updated the base from the North American Datum of 1927 (NAD27) to the datum as of 1983 (NAD83) and made numerous updates to the base features from those depicted in 1990. The boundaries shown on this map are for the Census Bureau's statistical data collection and tabulation purposes only; their depiction and designation for statistical purposes does not constitute a determination of jurisdictional authority or rights or ownership or entitlement.
